SHENZHEN ZRX PRECISION TECH CO.,LTD.

WELCOME TO ZRX

Company Profile

- ◆ **Established in Feb. 2009**
- ◆ **Specializing in Aerospace, Telecommunications, New Energy, Medical Equipment, and Photographic Equipment**
- ◆ **Providing one-stop structural component services**
- ◆ **Offering non-standard automation design, research and development, and manufacturing**
- ◆ **Factory area: 30,000 square meters**
- ◆ **Employees: 400**

Company Qualification

Certificates

Otained ISO9001 quality system certification in 2011.

Received the National High-Tech Enterprise Certificate in 2013.

In 2017, 19 computer software copyrights were obtained.

In 2019, we obtained 15 utility model patent certificates.

Otained IATF16949 quality system certification in 2020.

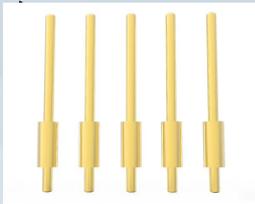

In 2022, 22 new utility model patent certificates were granted.

In 2023, two new patents for independently developed products were obtained.

主要产品种类

- 1、New Energy Series
- 2、Sheet Metal & Stamping Series
- 3、Copper Busbar Series
- 4、Profile Heat Sink Series
- 5、Modular Power Supply Series
- 6、Gold Pin & Tin Pin Series
- 7、Fastener Series
- 8、Medical Electrode Structural Components Series
- 9、Camera Lens Electronic Adapter Ring Series
- 10、Transformers&inductors series

New Energy Series

On-board charging and power distribution assembly

Vehicle-mounted DC/DC converter liquid cooling

Vehicle-mounted DC/DC converter with air cooling

Vehicle-mounted DC/DC converter with natural air cooling

Vehicle-mounted DC/DC converter with air cooling

Vehicle-mounted DC/DC converter

2000W solar photovoltaic inverter

1.5KW photovoltaic grid-connected inverter

5KW Grid-Connected Photovoltaic Inverter

1000W horizontal inverter

Photovoltaic Inverter Suzhou Taihu Project Center

On-board charging and power distribution assembly

Vehicle-mounted DC/DC converter with air cooling

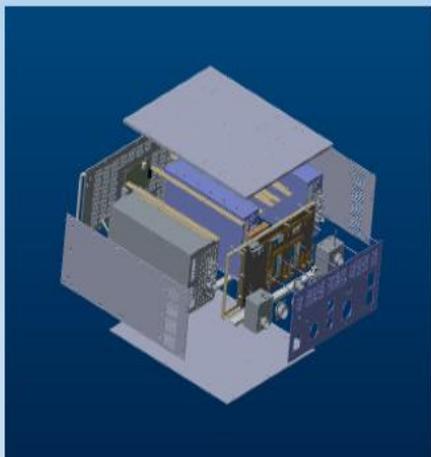

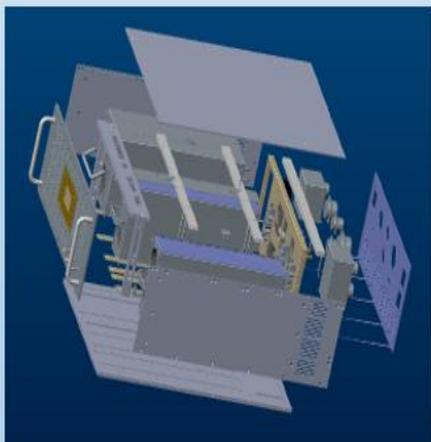

Photovoltaic inverter

Inverters are widely used in the US and UK markets
